organized by
Department of Chemistry

&

Centre for Advanced Research and Development (CARD),
CHRIST (Deemed to be University), Bengaluru

in association with

Centre for Nano and Soft Matter Sciences (CeNS), Bengaluru
under the Aegis of Indian Liquid Crystal Society

About the conference

The aim of 29th National Conference on Liquid Crystals (NCLC-2022) is to bring together young and senior researchers from nationally and internationally reputed institutions working in the field of liquid crystals, soft matter, nano and biological systems. This conference will provide a platform to discuss recent advancements in the field of liquid crystals as well as emerging interdisciplinary areas of soft matter, nanotechnology and biological systems. Emphasis will be given to eco-friendly, energy efficient devices based on these materials.
